SETS OPTION B

OPTION B IS THE SUPERIOR OPTION, ADDING ADVANCED VIDEO EQUIPMENT TO ENHANCE YOUR EVENT.

A carpeted stage, 18ft x 8ft, with fascia is included.

The stage finish is standard black carpet with black fascia; on request, we can supply different colours at a small extra cost – please see the palette on page 21.

Two dedicated technicians, for sound and video, are included in this package to look after your AV set-up.

A video switcher will enable seamless and professional switching between presentations and/or videos.

Two laptops are provided with a comfort monitor in front of the stage, allowing your presenters to see their slides while they are speaking.

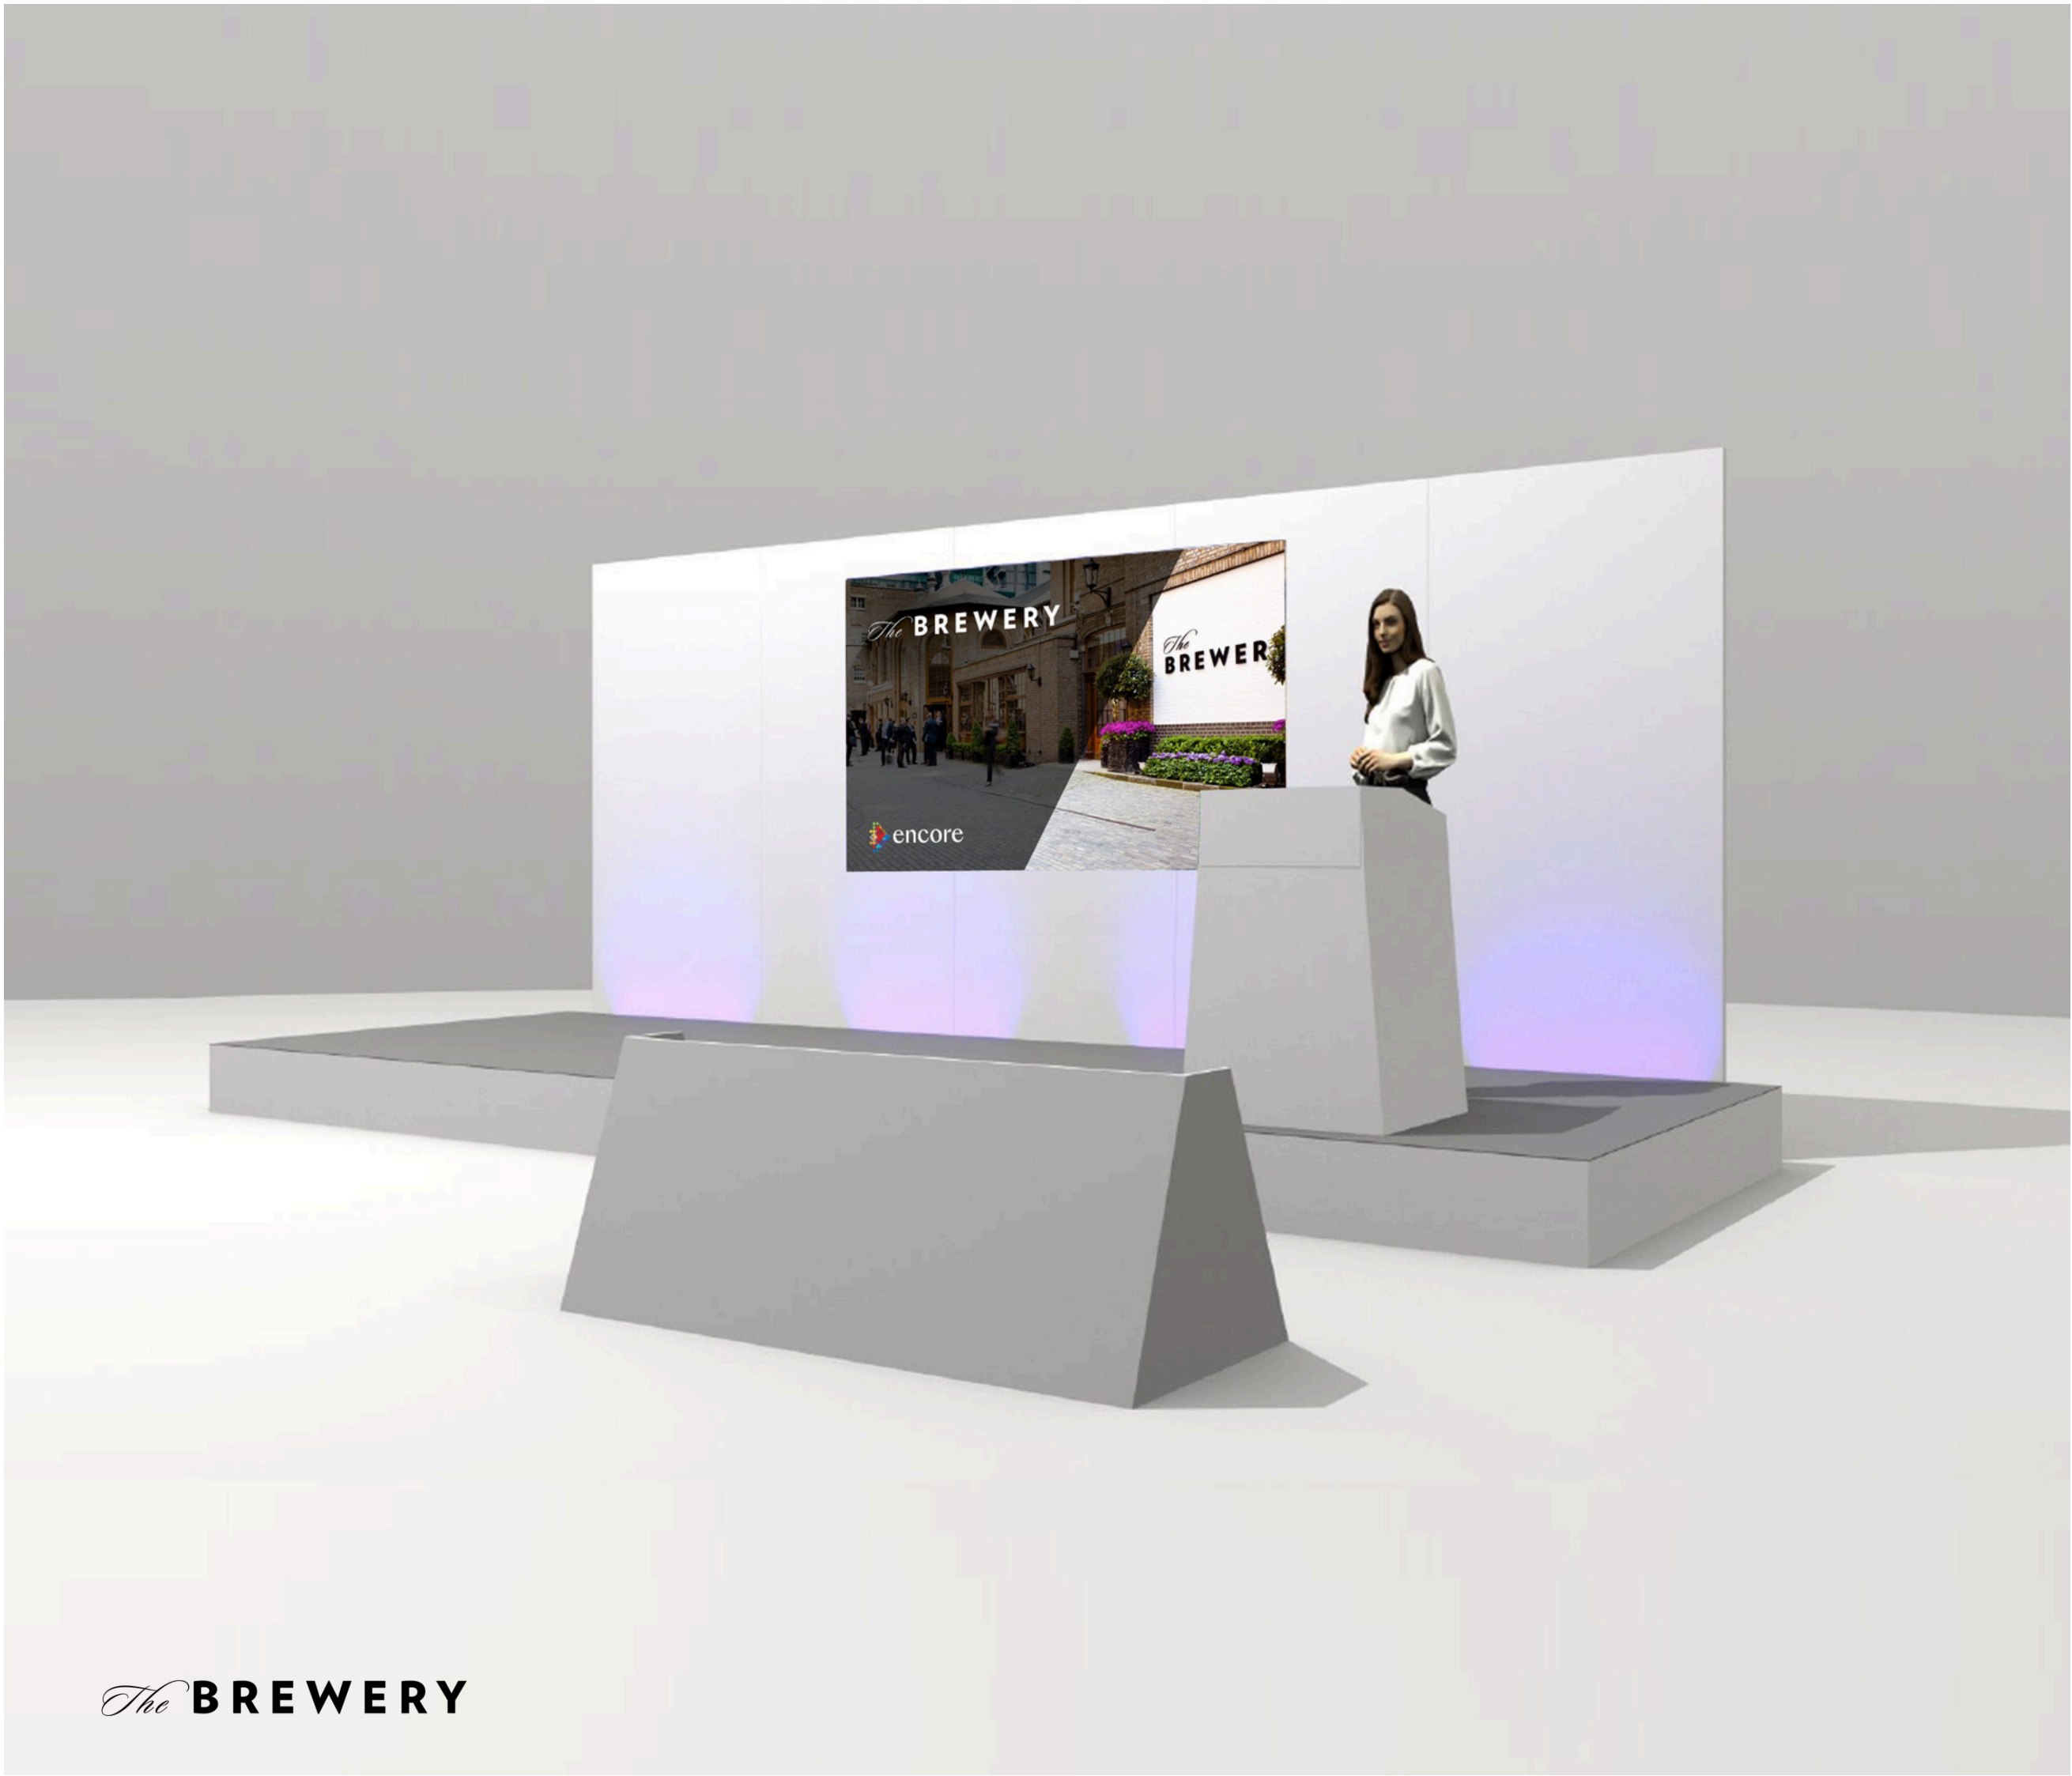

Two 55-inch plasma screens are included further back in the room to relay the main screen.

A professional mixing desk and four wireless microphones, lapel or handheld, are included, all connected to the in-house PA.

BRANDING

BRAND EXPOSURE AT YOUR EVENT IS KEY; THEREFORE, WE ALWAYS RECOMMEND BRANDING...

Brand exposure at your event is key; therefore, we always recommend branding on a set, lectern or, in most cases, both, as this provides an excellent platform to promote your brand to your audience.

Files required: To ensure the highest print quality, artwork needs to be sent as either an EPS file or a print-ready PDF. All files must be high-resolution and to scale.

Please note: we require 5 to 7 working days for printing.

BRANDING FOR LECTERN

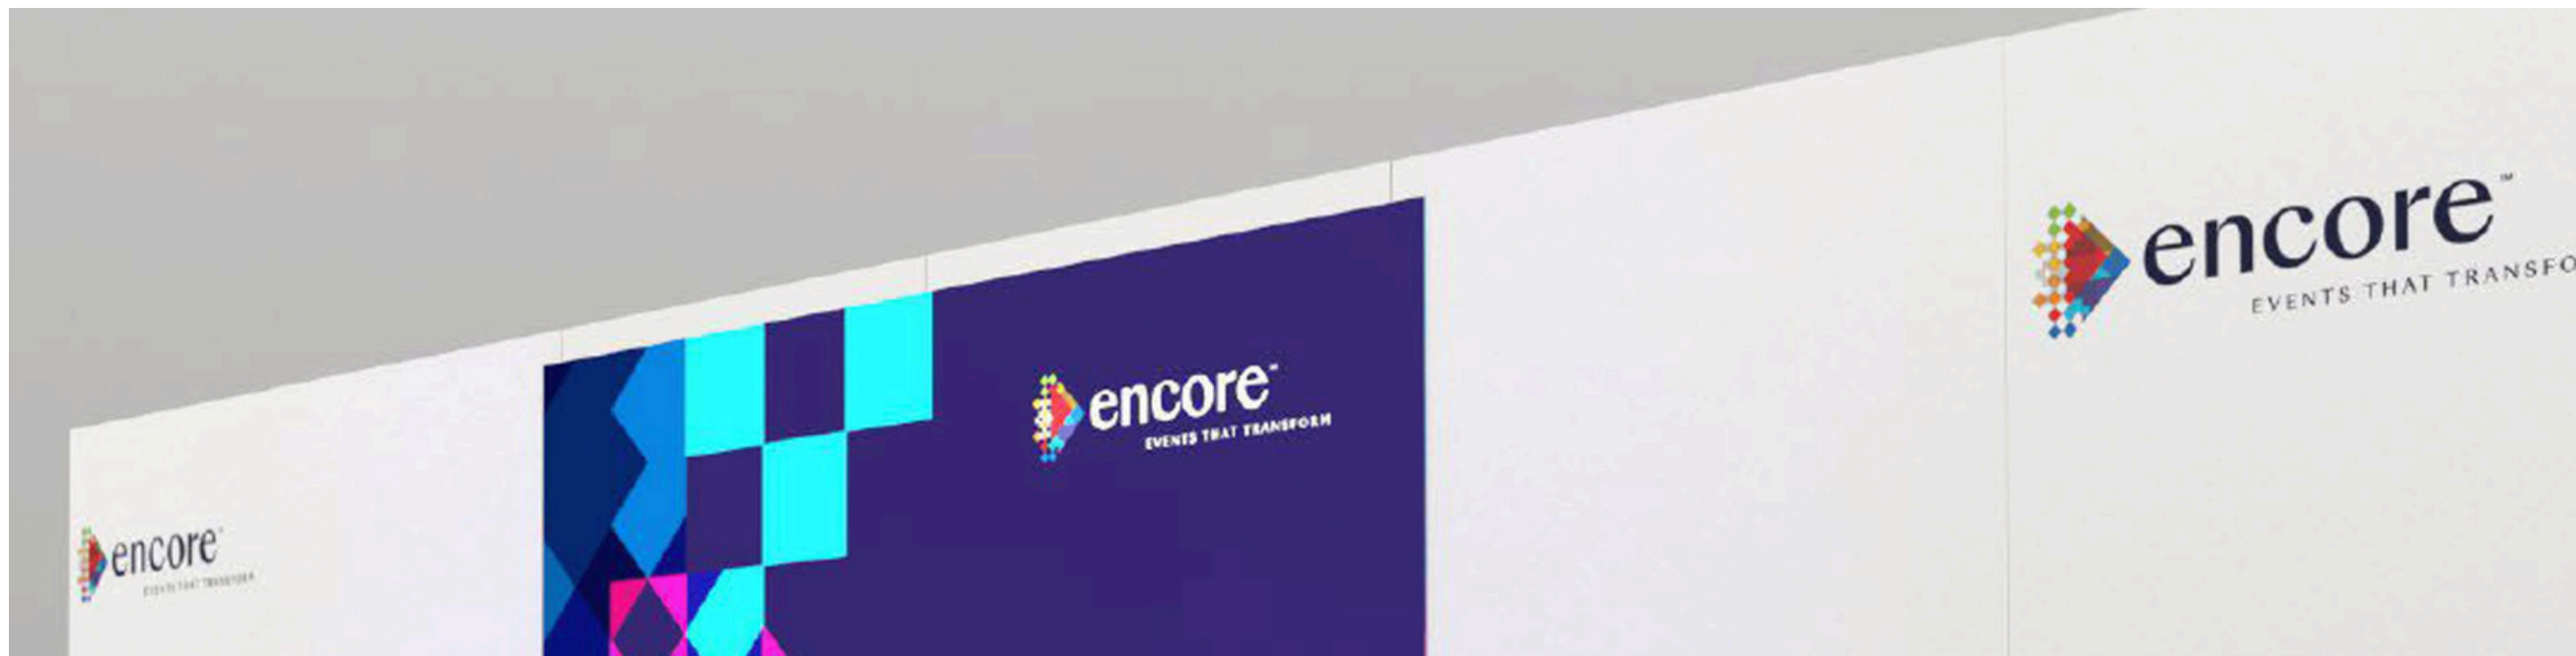

1. Vinyl print at the front
600mm x 300mm at £60 ex VAT
